SUMMARY

As a frontend developer, I craft intuitive interfaces that make technology accessible to all. With a passion for creating seamless user experiences, I specialize in building engaging web applications that drive results. With over one year of experience and expertise in Reactjs, vue.js, Nextjs, typescript, I've delivered some innovative projects that push the boundaries of web development. Lets connect and build something amazing together.

EXPERIENCE

Frontend Developer (Intern) | InternPulse | October 2024 - December 2024

- Contributed to the creation of responsive and visually appealing web components, ensuring seamless functionality across devices and browsers.
- As the assistant team lead, I participated in code reviews and contributed ideas to enhance development workflows.
- Assisted in leading a team of developers, fostering collaboration and ensuring timely project delivery.

Frontend Developer (Intern) | Altschool Africa | August 2023 - July 2024

- Built responsive and user-friendly web applications using modern frameworks like React and Next.js.
- Collaborated closely with UI/UX designers to transform wireframes and mockups into functional and visually appealing interfaces.
- Worked in cross-functional teams with backend developers to integrate APIs and ensure seamless functionality.
- Developed proficiency in version control using Git and GitHub.

PROJECTS

Renenergy Hub | InternPulse | www.renenergyhub.com.ng | November 2024 - December 2024

- Renenergy Hub is a digital marketplace that connects sellers and buyers of renewable energy products, like solar panels, batteries, and wind turbines, facilitating secure transactions, reliable deliveries, and seamless purchasing.

Inklink | inklink--three.vercel.app/ | October 2024 - October 2024

- Inklink is an app that allows users to read and write posts. It provides a seamless platform for sharing ideas, exploring diverse content, and connecting with a community of writers and readers.

Carefinder | Altschool | my-carefinder-r4vv.vercel.app/ | June 2024 - July 2024

- Carefinder helps you easily locate and connect with healthcare facilities in Nigeria.
- Carefinder allows users to export the list of hospitals to a CSV file.
- It requires admin users to create an account to access the platform's admin features.
- It allows admin users to write content(create hospital entries and corresponding details) with a markdown.
